A land of creatures beyond your imagination! The Galapagos: A World Heritage Site

- **Itinerary:** 8 day/7 night Monday to Monday itineraries... June 18-25th A personalized itinerary can be arranged with full charters... **Depart from San Cristobal around noon for your first check-out dive. ** Then North Seymour for 2 dives, **the motor ~20 hours to Darwin **Darwin Ach for 2 days **Wolf Island for a full day **Isabella Island and Cabo Marshall **Cousins rock ** The itinerary subject to changes and by park authority approval: this far ahead... we can request a specific itinerary... SUGGESTING: Mostly Wolf and Darwin and then... spend 3 days in the southern island for a combination of different diving and more land exploration. We plan to add a 3N land stay for more diving and land visits to the southern islands.
- **Accommodates:** 16 passengers in 8 air-conditioned staterooms : **We have 8 prime cabins:** 1, 2, 5, and 6
- **Water temperatures:** Vary greatly, range from 60 degrees F to 80 degrees F, depending on currents, season and location: cooler in the southern islands.
- **Visibility:** The average is around 40 feet, but can range from 10 to 80 feet depending on season and currents
- All diving done from the Pangas with ladders and every boat has a park certified naturalist as our guide: above and below.
