COME EXPLORE THE HEALTHY REEF SYSTEM
 IN THE **FEDERATED STATES OF MICRONESIA****
 WITH PATHWAYS TO ADVENTURE TRAVEL

KOSRAE-----POHNPEI-----YAP-----PALAU----TRUK ---- & THE PHILIPPINES.....**

Various islands in Micronesia and the Philippines make wonderful destinations on their own. All can be combined to make a multi-island dive adventure for your holiday. The schedules need to remain flexible to meet a variety of limits due to flights in / out of several of the areas. Pathways would be pleased to coordinate these connections for you alone, for you and your dive buddy or any group you would like to assemble (incentives for group leaders).

Most of the flights to Micronesia will be done with Continental/Continental Micronesia as they service Micronesia almost exclusively. Other carriers, EVAir, Cathay Pacific (American co-share) and American are my most used carriers from the USA to this region. The best air connections and rates will always be investigated for you. Various mileage plans can be used on many of the flights to these destinations.

Cost of Airfare R/T from the USA is variable and subject to changes until booked: Examples: Midwest cities from \$1640; from the West Coast/LAX from \$1250. Estimated budget for your destination of choice averages \$150-\$250 for room and diving per day/double occupancy. Your personal travel itinerary/budget will need to be individualized.

If these are destinations of interest to you, call for desired dates for you, your dive buddies and club. More options are available to help make this holiday just what you want it to be. Travel Specialists are here to help you.
